OccuCare

Since 1984, Trover Clinic OccuCare has provided employers with high quality injury/illness prevention and treatment plans to help keep employees healthy and on the job. From basic tests and screenings to in-depth physical and occupational therapy, we have the full spectrum of occupational medicine services.

The Trover Clinic OccuCare Department is backed by more than 100 physicians in over 42 specialties. Orthopedists, ophthalmologists, surgeons and many other specialists are on hand to assist in the evaluation and treatment of your employees, if necessary.

We also offer employee wellness services such as cholesterol screenings and nutrition programs that educate employees about health risk factors and encourage a healthy lifestyle.

And there's much more, including extended hours, weekend coverage, diagnostics, social services and preplacement exams. If you'd like more information on Trover Clinic OccuCare, please give us a call.
